Dear Parkway Church,

Thanks so much for your generosity this year. Because your generosity has a direct impact on seeing lives change, I invite you to give extravagantly this Christmas. To finish the year strong and to position ourselves for 2020, we rely on December giving. This year, our goal is \$214,000 which is 11% of our annual budget.

In addition to strong giving to meet budget needs, we continue to give toward our Multiply campaign which will help us move forward to build in Port Lavaca. As you know, all giving to Multiply between now and January 26th will be matched (up to \$130,000).

Unquestionably, we have some God-sized giving goals this Christmas. To reach our goals, we must come together to pray and give as the Lord directs. We fully trust the Lord to meet the needs of our church family through our consistent and sacrificial giving. Contributions can be made online ([www.parkwaychurch.tv/give](http://www.parkwaychurch.tv/give)), by mail (4802 John Stockbauer, Victoria, TX 77904), or during our services. You can also give by text at 361-221-5262. Contributions received by mail must be postmarked by December 31 to receive contribution credit for 2019.

In closing, thanks so much for your partnership in the Gospel! I look forward to worshipping Jesus with you this Christmas.

Merry Christmas,

Mike Hurt | Senior Pastor
