

IN EVERY GROUP, EVERY WEEK

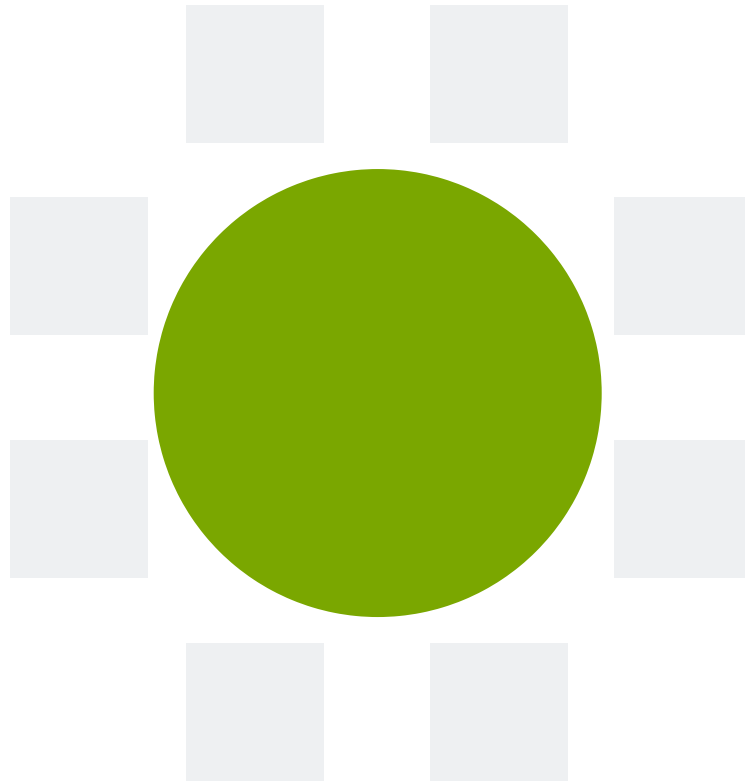

"The children in our ministries have things going on that would curl our hair if we knew what went on behind their closed doors. They need to see someone every week who loves them, and will be Jesus to them." - Sue Miller

"There's not any heartbreak, or tragedy, or pain, or rejection, in any child's life that is so great that it can't be overcome by the love of a Heavenly Father."
- Reggie Joiner

"Every kid is a potential prodigal, so make sure you give them the directions back home." - Doug Fields

WHO IS SITTING AT YOUR TABLE?

WHAT CAN YOU DO TO HELP KIDS & LEAD YOUR GROUP?

ALWAYS KEEP IN MIND:

- Every kid matters to God.
- Kids will bring their thoughts, feelings, bad habits with them to our group and that is a good thing.
- Just because kids have problems, don't mean that are bad kids.
- All kids will have good days and bad days. Kids in crisis may have more bad days than good.
- We have been called and gifted by God to disciple kids from all backgrounds.
